

INDO-SWISS TRAINING CENTRE, CSIR-CSIO, CHANDIGARH

Date: 31/12/2020

Ref. OM dated 3/11/2020, inviting applications from students of 3rd Year for change of course (as per decision of agenda item no. 7, put up in the 17 Academic Council Meeting of ISTC on 23.07.2019).

The applications were received and the result of branch change was notified. It was observed that 01 seat in Advanced Diploma in Mechatronics and Industrial Automation remained vacant.

In order to fill this vacant seat, applications are invited from the interested candidates of 3-Year Diploma in Electronics Engineering.

The interested applicants must send their applications through email to principalstc@csio.res.in, latest by 04 Jan 2021 (Monday). The application must include (a) Semester wise marks upto 4th Semester and (b) Parents Consent and signatures.

Note: Those who have already applied but their applications were received after the last date (15 Dec 2020) need not apply again, their applications will be considered.
